JOIN OUR UNC COMMUNITY

At UNC, you'll find the best of a small, teaching-focused institution combined with the progressive knowledge of a large, research-based university.

Our just-right size, combined with our commitment to innovative instruction, is what sets us apart.

We don't make our faculty choose between teaching and research because we know that a far greater learning experience rises from the combination of both. At UNC, you'll work side-by-side with experts in your field. They'll know you by name. And they'll connect you with opportunities along the path you want to follow.

COME VISIT

Meet with our faculty, talk with our students and find out how the right university can make all the difference in your college experience.

Campus tours are offered Monday through Friday and on select Saturdays. For more information or to schedule your visit, go to unco.edu/visit or call 970-351-2881.

Can't wait to see UNC? Take a UNC Virtual Tour at unco.edu/campus360.

KAILA WARD

MENTORSHIP LEADER, ENGLISH EDUCATION MAJOR

TRIBAL AFFILIATION: CHEROKEE

UNC is a window to infinite opportunities. I came to UNC as a nervous and eager first-generation student. I was not sure what to expect from college, but the beautiful campus and friendly climate quickly welcomed me. I instantly felt like I had found my home. My first trip on campus was to Native American Student Services. As I walked through the doors, I was greeted by the amazing staff and soon became a member of the American Indian

Student Organization and a NASS employee. The comfort I felt transcended my daily life, and I joined several more clubs and sports including volleyball, dodgeball, the campus newspaper and several writing clubs. Being an English Education major, I knew that UNC had one of the most prestigious teaching programs in the nation and that I would receive the best opportunities. While I knew my program was exceptional, I obviously worried about the finances associated with college. Through the helpful faculty at UNC, I learned about several scholarship opportunities, and my financial worries immediately vanished. UNC has helped me to discover who I am and what I truly love. I have made countless memories and shared infinite laughs with the amazing people I have met here. Every day I walk this campus, I am reminded that I made a great decision in choosing the University of Northern Colorado.
